

Parking for Ruah Center is now exclusively in the back behind the Villa (follow **red arrows** as pictured above). Day guests will park there and walk to the front door to sign in. If you are staying overnight and have luggage, you may drive to the Villa entrance, sign in with the receptionist, pick up your parking tag and guest badge, leave your luggage in the parlor if you'd like, and then park in the back. Enter again at the front door, take your luggage to your room where you'll find a key to the retreat dining room door which you will use to exit and enter until it's time to sign out and leave the Villa. Follow **blue arrows** for overflow and bus parking.
